

2010 FLOWER SHARE SIGN-UP

Flower Shares are back in 2010, with a twist – different grower, slightly shorter run, cheaper price if you register before June 1st. Weekly bouquets will be available during Natural Roots CSA pick-up times for an 8-week season, beginning early July.

My name is David Kulp and I'm honored to be following in the footsteps of Leslie Chaison of South River Flowers (who is taking an indefinite hiatus). I'm the flower guy at the Ashfield Farmers Market and I also sell to area florists. I'm excited about the opportunity to share beautiful, seasonal, freshly-cut, sustainably-grown flowers with you this season. My farm is just down the road in Ashfield. Like Leslie, I plan to offer weekly bouquets arranged in a returnable vase. The size and style of the arrangements will vary from week to week depending on what is in bloom.

I look forward to brightening your week with flowers!

Tear off the form below and return it with payment to David Kulp, 183 Phillips Rd., Shelburne Falls, MA 01370. If you have any questions, please call me at 628-1045.
